Briefly describe where your students demonstrated strengths in their learning.	Reflection	Anonymous	Students were very engaged with the material, especially with regard to the final project. They asked a broad range of relevant questions.	2016-12-22	
Briefly describe where your students demonstrated gaps in their learning.	Reflection	Anonymous	Some students had trouble understanding where transfer coursework "fits" in with the Taft College educational plan. We discussed this topic at various levels, but some were still having trouble.	2016-12-22	
What additional information did you glean from your findings?	Reflection	Anonymous	Educational planning is pretty straight forward for first-time freshman, but students find the petition process confusing, especially when substitutions are involved (no C-IDs).	2016-12-22	
What methods of authentic assessment did you employ to determine SLO results for your students?	Reflection	Anonymous	I evaluated their final project (comprehensive educational plan).	2016-12-22
