Detail by Response

Section Level Responses					
Expected Action	Action Type	Respondent	Action Taken	Date	Resource Request
SCI >> Dental Hygiene >> DNTL1054 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2020 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2021 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	Although personal attention was given to students who performed below expectations, most improved performance scores with the exception of one. This particular student may have benefited from assessment by student learning services, but was not referred for evaluation. No additional resources are needed at this time.	2017-05-22	

Expected Action	Action Type	Respondent	Action Taken	Date	Resource Request
SCI >> Dental Hygiene >> DNTL2024 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	Remediation could be identified earlier and students could be assigned mandatory remediation if necessary	2017-08-15	
SCI >> Dental Hygiene >> DNTL2025 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	All the students in this course, this semester, were very successful as a result of comprehensive exam reviews and their personal dedication.	2017-05-23	
SCI >> Dental Hygiene >> DNTL2026 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	Plan to construct a template with of example of how to calculate the percentage of each nutrient compared to total nutrient intake.	2017-08-15	
SCI >> Dental Hygiene >> DNTL2027 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2240 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	I would add more outside assignments relating to periodontal assessments. Also, use more You-Tube videos on the different types of periodontal surgeries.	2017-08-15	
SCI >> Dental Hygiene >> DNTL2241 >> Section 20 - Spring 2017					

Expected Action	Action Type	Respondent	Action Taken	Date	Resource Request
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2243 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2244 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection		No Action Taken		
SCI >> Dental Hygiene >> DNTL2245 >> Section 20 - Spring 2017					
I wonder what might be the reasons students are below expectations, and what if I made these changes to improve the outcomes? Please only consider the changes you have control over. Are additional resources needed? If so, please describe using the Resource Request link.	Reflection	Anonymous	The majority of the students meet expectations, and upon taking the California State Ethics Examination, tell me that they were prepared for the examination. I have implemented more time to review the CA Business and Professions codes as well as the Dental Practice Act.	2017-08-15
