## PATHWAYS CAPITAL OUTLAY REQUEST FOR CDE PRE-APPROVAL

Fiscal Agent: Kern CCD Pathways Coordinator: John Means

Please use this form to request and justify capital outlay expenditures for the California Career Pathways grant.

Capital outlay is defined as any single item purchase of \$5,000.00 or more. The purchase must meet all the requirements below. Please check all that apply:

- Directly relates to a program approved for assistance with Pathway funds in the LEA's application;*
- Intended to improve, enhance or expand the Pathway program;*
- "Necessary" and "reasonable" for proper and efficient administration of the CTE program;*
- Added to the district's historical inventory system when received; and*
- Specific to a pathway program—as opposed to a general expense required to carry out the agency's responsibilities.*

Please complete each item below.

District Address: Taft College, West Kern CCD, 29 Cougar Court  
City, Zip: 93268

Pathways Phone Contact: Anthony Cordova, 661-763-7871

Industry Sector: Manufacturing & Product Development Career Pathway: Welding & Materials Joining

Name of Item: Miller XMT 350 Multi process welders & accessories Name of school for item: Taft College

Total cost of item including tax and shipping \$5,000+: \$7,104.61

Total Cost of Package if different from item: 28,418.44

Description of Item:

An advanced compact multiprocess power source with an integrated wire feeder. Ideal for welding on a wide variety of materials include: Aluminum, stainless steel, and mickel material - where arc performance is critical.

Cloud-based data collection tool allows customer to view and analyze welding data.

Purpose of Purchase:

The purchase completes the full complement of equipment needed to conduct classes for SMAW, GTAW, MIG and Flux Core Processes.

What skill attainment will this equipment purchase provide students?

This purchase will allow students to practice SMAW, GTAW, MIG, and Flux Core Processes.
