

Planning

Information relating to Taft College's planning agenda and to the Taft College  [Strategic Action Plan](#) can be found on this page. You can download various planning documents, agendas and minutes from meetings of the Strategic Planning Committee, and you can track progress on Taft College's implementation of its Strategic Action Plan on the associated Strategic Action Plan Calendar located on the drop down menu under the Planning tab.

Strategic Action Plan Annual Update

This section of the Planning website will contain annual updates on the progress made on implementing the objectives identified in Taft College's Strategic Action Plan. The first Annual Report should be posted in December, 2015.

Planning Documents

The Planning Documents section contains documents related to Taft College's planning efforts, including among others the Educational Master Plan, Strategic Action Plan, Facilities Plan, Technology Plan, and Student Equity Plan. Also included are the "Governance Guide" and "Planning Guide," two descriptive documents on how governance and planning take place at Taft College.
